19. Case Management Services (continued)

TARGET GROUP 10

The "target" group for this amendment shall be individuals who:

- have a documented HIV infection and/or a diagnosis of Aids;
- are receiving case management services from providers in the State of Rhode Island which are licensed by the Department of Health and provide service under contract to the Department of Health;
- are eligible for Title XIX Medical Assistance Coverage either as categorically eligible or medical needy only;

Qualified Staff

The overall case management program at each provider agency must be directed by a registered nurse or equivalent health professional with at least two years experience in the delivery of case management services. All services shall be delivered in accordance with the requirements specified by contract with the Department of Health.

Assurances

The State assures that payments made for targeted case management services will not duplicate payments made to public agencies or private entities under other program authorities for this same purpose. The State further assures that payment under this provision will not be made for case management services which are an integral part of another provider service.

The State assures that the provision of optional case management under this section will be distinguished from any case management services provided as part of its approved Section 2178 Home and Community-Based Waiver authorized under Section 1915(c) of the Social Security Act.

TARGET GROUP 11

The "target" group for the amendment shall be recipients who:

- are homebound and determined by the Department of Elderly Affairs to have functional needs that, if unmet, will result in an institutional placement.
- are not receiving case management services from any other source.
- are 65 years of age or older.

QUALIFIED STAFF

The overall case management program will be directed by qualified individuals who meet the criteria established by the Department of Elderly Affairs. Each staff member providing case management services must meet the criteria as established by DEA.

Assurances

The state assures that payments made for targeted case management services will not duplicate payments made to public agencies or private entities under other program authorities for this same purpose. The state further assures that payment under this provision will not be made for case management services which are an integral part of another provider service.

The state assures that the provision of optional case management under this section will be distinguished from any case management services provided as part of its approved Section 2178 Home and Community-Based Services Waiver authorized under section 1915(c) of the Act.

The state assures that participants will have the freedom of choice of providers.

TARGET GROUP 12

The target group shall be recipients under age 21 who:

- are determined to be at risk for developmental disabilities on the basis of specific medical conditions, including but not limited to genetic disorders, birth defects,

ORIGINAL

and inborn diseases of metabolism or

- are evidencing delays in gross motor, fine motor language, social, or cognitive development.

QUALIFIED STAFF

The overall case management program will be directed by qualified individuals who meet the criteria established by the Department of Health (DOH). Each staff member providing case management services must meet the criteria as established by DOH.

Assurances

The state assures that payments made for targeted case management services will not duplicate payments made to public agencies or private entities under other program authorities for this same purpose. The state further assures that payment under this provision will not be made for case management services which are an integral part of another provider service.

The state assures that the provision of optional case management under this section will be distinguished from any case management services provided as part of its approved Section 2178 Home and Community-Based Services Waiver authorized under Section 19154(c) of the Act.

The state assures that participants will have the freedom of choice of providers.

TARGET GROUP 13

Target group 13 consists of recipients who:

- are blind or ^{VISUALLY} ~~usually~~ impaired
- are not eligible for Vocational Rehabilitation services due to age or other criteria.

QUALIFIED STAFF

The overall case management program will be directed by qualified individuals who ^{MEET} ~~see~~ the

criteria established by the Rhode Island Department of Human Services (DHS). Each staff member providing case management services must meet the criteria as established by DHS.

Assurances

The state assures that payments made for target case management services will not duplicate payments made to public agencies or private entities under other program authorities for this same purpose. The state further assures that payment under this provision will not be made for case management services which are an integral part of another provider service.

The state assures that the provision of optional case management under this section will be distinguished from any case management service provided as part of its approved Section 2178 Home and Community-Based Services Waiver authorized under Section 1915(c) of the Act.

The state assures that participants will have the freedom of choice of providers.
